Chicago-Kent's PreLaw Undergraduate Scholars Program

Please note that to view or print the application, you must have **Adobe Reader** software, which may be [downloaded free of charge from the Adobe web site](#).

The Chicago-Kent Pre Law Undergraduate Scholars program ("PLUS") offers a unique and unforgettable experience for college students who are interested in the legal profession. This rigorous four-week program is designed to provide students with a "taste" of the law school experience. The program is primarily directed at undergraduate college students from disadvantaged groups that are underrepresented in the legal profession.

The PLUS program is a *four-week* summer institute which will: (1) introduce participants to law school and the legal profession; (2) provide participants with substantive skills to strengthen their preparation for law school; and (3) educate and prepare participants for the law school application and admission process. Students must attend all classes and participate in all program activities to receive a stipend. Because this is a full-time commitment, students must agree to not work outside of the program.

The PLUS program targets college students who have just completed either their first, second or third year in college. All students are encouraged to apply who will not have received their bachelor’s degree by the start of the program, but preference will be given to those who will have completed their first and second years of college by the start of the program. Students who have already completed a bachelor’s degree are not eligible for the program. For additional information, please download the application packet or contact Theda Mickey, Administrative Director-PLUS Program, at plus@kentlaw.edu if you have any questions.

Program Sponsors

The PLUS Program is sponsored by [Illinois Institute of Technology - Chicago-Kent College of Law](#).

Chicago-Kent College of Law is the law school of the Illinois Institute of Technology. The second oldest law school in Illinois, Chicago-Kent has a history marked by innovation and excellence. Chicago-Kent is accredited by the American Bar Association and is a member of the Association of American Law Schools and the Order of the Coif.
