# Bill Brandt for State Central Committeeman.

Experience fighting for Democratic victories.  
And a passion for the issues that matter to us.

For more than 30 years, candidates for local office—and the Oval Office—have turned to Bill Brandt.

Bill's dedication doesn't stop on election day. He's been fighting day after day on the issues that matter most.

- ▶ Working with Personal PAC, NARAL, Emily's List and other organizations to preserve women's right to choose.
- ▶ Spending more than 1,500 non-paid hours as chairman of the Illinois Finance Authority, reforming the agency while helping to create thousands of Illinois jobs.
- ▶ Generating Democratic grassroots efforts year-round, to grow and build our party.

To help our party—and our community—move forward.

Health care for all Americans. A sustained economic recovery and a clean environment. Protecting a woman's right to choose.

We Democrats know that achieving these goals won't be easy.

And— we know that the Republicans inside Washington, D.C. will do everything they can to stop President Obama's fight for change.

That's why Bill Brandt is the right choice to be our next Democratic State Central Committeeman.

## **BILL WILL HELP US MOVE FORWARD.**

Starting with a goal we've been waiting more than 30 years to achieve—electing a Democrat to Congress from the 10th District.

Bill will build our party, working alongside our State Central Committeewoman, Lauren Beth Gash.

He will recruit and mentor the next generation of Democratic leaders who will fight for change in the years ahead.

## **TO ENSURE THAT REPUBLICANS CAN NEVER TURN BACK THE CLOCK.**
