*In 2010, Democrats are ready to make progress on the issues that matter most.*

Bill Brandt is a Democrat who knows that change begins right here in our community. He has devoted his life to helping Democrats get elected to office so they can fight for us.

Like you, Bill Brandt knows this is a crucial time for our country and our community. To get our economy back on track, to fix our broken political system and make sure we elect more Democrats, we need a Democratic State Central Committeeman who will fight for us.

**Your Democratic State Central Committeeman is your voice in the Illinois Democratic Party. Bill will stand up for us by:**

- ✓ Working to elect and re-elect a Democrat to Congress in the 10th District.
- ✓ Helping to send more Democrats to Washington and Springfield—and recruiting the next generation of Democratic leaders in our community.
- ✓ From health care reform to creating good jobs, be a voice for issues that matter to Democrats.
